

**First Meeting by Ann Hayes at the
25th Anniversary Afternoon at City Hall 26th February 2026**

START

Hello everyone, to think that 25 years ago, with Brian Simmons, who founded Belfast U3A, and I was able to help him, fortunately.

We used to meet in Ruby Tuesdays, but we didn't get to get a cake like this! 
When there were only eleven of us at our first meeting, and now how many of us in Belfast U3A?

It's just marvellous to see you all and thank you very much
